

JACKSON TOWN COUNCIL STATEMENT OF STRATEGIC INTENT

STRATEGIC OBJECTIVE: ENVIRONMENTAL STEWARDSHIP

VISION STATEMENT: Responsibly manage our resources for the benefit of present and future generations while striving to reduce our energy and fuel use.

Tactics/Action Plan

- ✓ Fund wastewater treatment plant upgrades and water treatment upgrades
- ✓ Support Town forestry policy – Tree City USA Program
- ✓ Pump water to the top of Snow King for fire protection
- ✓ Explore the use of alternative fuels
- ✓ Support energy efficient vehicles including the use of plug-in hybrids
- ✓ Implement 10x10 EEAB Action Plan
- ✓ Continue to pursue 100% renewable energy
- ✓ Discuss mandatory Pay as You Throw Program
- Fund energy reduction education program that educate people about our efforts and ask them to turn off power
- Fund storage tanks for alternative fuels
- Fund heated storage for fleet
- Support smart growth and change Land Development Regulations to comply with the comp plan
